

Invitation to Demonstrate Support
Business & Professional Women /Tennessee State Convention
June 12 - 15, 2008 Nashville, Tennessee

In June 2008, members from local organizations across the state will assemble in Nashville for their annual convention. I come to you today in hopes that you will step up and be counted as a supporter of BPW by means of a sponsorship for the 2008 State Convention. Sponsorship levels range from \$25 to \$1000.

Business & Professional Women/USA (BPW) fosters the success of working women by providing career advancement resources, personal and professional connections and worklife strategies. The Tennessee Federation is one of the oldest in this international organization, having been chartered in 1920, shortly after the foundation of the National Organization in July, 1919.

BPW IS:

An Organization of Firsts: Business and Professional Women/USA and Business and Professional Women's Foundation have long, rich histories of leadership for working women. Today we continue that pioneering spirit to fulfill the missions of both organizations.

The Power of Connections: Speaking to the issues of today's working women, BPW affords an opportunity to meet other professional women at BPW/USA and BPW Foundation events, conferences and programs, for the exchange of ideas and opportunity to build business leads.

The Power of Voices United: The joint voices of BPW members are heard on Capitol Hill and by the administration on issues of importance to working women. BPW/USA is recognized as an important player on issue of workplace equity.

I look forward to hearing from you in the days ahead. Thank you in advance for your support.

Sincerely,

Susan Jakoblew
